Declaration of Interest

Why I want to be a part of the NUS Students' Computing Club Management Committee:

As I am involved in Faw previously, as the Logistics Head, I understand the importance of logistics to all other events. If logistics are not done properly in Faw back then, freshmen would not be able to have a good experience. This got me motivated to be part of NUS Students' Computing Club Management Committee because I believe I can still continue to give my service to Computing & start to take charge in this new position if possible.
