## Declaration of Interest

Why I want to be a part of the NUS Students' Computing Club Management Committee:

Since my secondary school days, I have been actively participating in the organizing committee of various events such as leadership camps and these precious experiences have no doubt shaped me to be who I am today. It would be great if I could continue to do what I like in university and continue to grow and learn and also be a help to the NUS computing students by being in NUS Computing Club.
