41st Executive Committee Representative Elections Nomination Form

Q1.

Are you interested to run for a NUSSU Constitutional Position?

(NUSSU Constitutional Positions: President, Vice President (Internal), Vice President (External), General Secretary, Financial Secretary, Communications Secretary, Student Life Secretary, Student Welfare Secretary)

(a) If yes, which position are you interested to run for? Why are you interested in this position? What are your goals if you are elected into this position? How do you plan to achieve your goals?

(b) If no, which NUSSU Exco Cell are you interested to be part of? Why are you interested to be part of this Exco Cell? What are your goals if you are a member of this Exco Cell? How do you plan to achieve your goals?

(NUSSU Exco Cells: Relations, Secretariat, Finance, Communications, Student Life, Student Welfare)

(b) I am only interested in the Student Life Cell. The projects and initiatives that SLC undertakes are in my view useful and meaningful to the development of student life in NUS. I do have relevant experience in student development and planning of student life initiatives since my term as Student Councillor in ACJC. More recently, I was the Vice-Project Director (Internal), Rag for NUSSU Rag & Flag 2019. As a member of SLC, I would be interested to work closely with OSA, CEU, OHS and other key parties to smoothen the transition into the FOP period for all clubs/halls/societies involved in FOP. I would also be in the best position to work with the incoming Rag & Flag Committee and would like to support Union Camp as well. With the Rag & Flag and Union Camp projects, I hope to create fun, enriching and meaningful events/camps that promote the value of excellence and professionalism from NUSSU. I believe that being a strong guiding hand for the project committees is important, and I can use my experience in event planning to ensure that the project goals are being met.

Q2.

What makes you a suitable candidate for the Constitutional Position / Exco Cell that you have indicated in Q1?

I was Vice-Project Director (Internal), Rag for NUSSU Rag & Flag 2019, Vice Project Director for Computing Club Freshmen Social Camp, OGL for Computing Club Freshmen Orientation Camp and OGL for Union Camp. Hence, I do have a rigorous involvement in Student Life projects as well as involvement at different levels, be it on the ground, planning or execution. I hope to take opportunities to further develop my communication and coordination skills as someone managing more than one project at a time. I do feel such skills would translate well into the workplace in the future, and at the same time, the work I can do in student life can be meaningful and impactful. Despite the rigour of NUSSU Rag, the reason I decided to nominate myself for a position in SLC was that I felt strong pride and joy to see the lives I touched through organising the event, to see freshmen and seniors work together to put out their best performances, to see members from the surrounding community in Bishan come over to watch our performances. I am passionate about putting forward excellent work, unafraid to challenge the status quo and have a solid leadership track record.

Q3.

Do you have other major commitments in or outside of NUS? If yes, what are they?

President, ExxonMobil Campus Concerts Crew, NUS Centre for the Arts.

Q4.

Do you have any ongoing disciplinary cases in NUS?

No.
