## Attachment to Form B

Reasons to be a part of the NUS Students' Computing Club Management Committee:

One reason why I want to be a part of the NUS Students' Computing Club Management Committee is because I believe that it will be an invaluable opportunity to learn, grow and meet new people. I would like to make full use of my time in NUS to develop new skills and gain new experiences. Hence I sincerely want to seize this great opportunity to learn from the people in the committee and further enhance my potential in a managing position.

Moreover, being a very organised and meticulous person, I enjoy doing administrative work, keeping things in nice order and ensuring the smooth running of everything. I take great pride in being meticulous. Thus, the role of being the General Secretary of NUS Students' Computing Club Management Committee really interests me and I believe I will make a great candidate for this position.

Above this, I was further motivated to join the Management Committee due to my great experiences participating in various SoC events. The opportunity to participate in SoC's orientation programme gave me the reassurance and confidence I needed to start my university life. After attending the Management Committee's General Meeting, I gained further insights on what the seniors have done to improve the school life of every Computing Club member. As the efforts of previous Computing Management Committee have played such an important role in helping my friends and I adapt into the new environment, I wish myself to be part of the Committee to make whatever difference I can to improve the daily lives and welfare to those in my faculty. The way that the previous Computing MC members work together and the strong bonds they forged through this opportunity also gave me the further drive to take on the challenge so as to give back to the Student's Computing Club.

List down all skills(s)/experience(s) relevant for your intended position:

My intended position in NUS Students' Computing Club Management Committee is General Secretary.

JC Freshmen Orientation Group Leader

- Learnt how to interact better with people, helped people bond together, improved on my communication skills as well as taking good care of the welfare of the fellow members.
- Being an active participant on various activities during my JC days enables me to gain insights on how an event is planned, so I believe that with what I have, I am able to overview and contribute to the events that other cells may plan in the future.

Familiar with administrative softwares/tools

- Enjoy doing administrative work, patiently plan out schedules so as to ensure that everything can run smoothly
- A good note taker

Meticulous & organised

Good time management skills
