## 41<sup>st</sup> Executive Committee Representative Elections Nomination Form

### Q1.

#### Are you interested to run for a NUSSU Constitutional Position?

(NUSSU Constitutional Positions: President, Vice President (Internal), Vice President (External), General Secretary, Financial Secretary, Communications Secretary, Student Life Secretary, Student Welfare Secretary)

**(a) If yes**, which position are you interested to run for? Why are you interested in this position? What are your goals if you are elected into this position? How do you plan to achieve your goals?

**(b) If no**, which NUSSU Exco Cell are you interested to be part of? Why are you interested to be part of this Exco Cell? What are your goals if you are a member of this Exco Cell? How do you plan to achieve your goals?

(NUSSU Exco Cells: Relations, Secretariat, Finance, Communications, Student Life, Student Welfare)

No. I am interested in joining the Secretariat Cell, preferably as the Director of Logistics (DOL). Personally, I am more inclined towards the admin role as I am a detail oriented person and also a perfectionist, always double checking my work to ensure that there are no mistakes. I am interested to join the Secretariat Cell as the DOL as I have experienced managing logistics during Computing FOP as a logistics director and during NUSSU Rag & Flag as a logistics 2IC (During Execution). I feel that it is a role and a cell that suits my work style greatly, running all the administrative operations of the union requires a great amount of care and attention to detail along with much dedication and commitment, as it is often very time consuming.

I aim to improve the functionalities of the current logistic lists and also plan to work on a scheduling interface/display for logistic items in the form of a calendar, for users to view the availability, by using the skills I will be learning in my major in Information Systems. On a personal level, I hope to be able to learn more from the various staff officers like Mr Ravi, hoping that my duties in the Secretariat cell, will give me exposure when attending the various offices meetings (job scope for Assistant Secretary).

**Q2.**

**What makes you a suitable candidate for the Constitutional Position / Exco Cell that you have indicated in Q1?**

With those experiences as mentioned in Q1, I could greatly appreciate the amount of detail and understanding required to perform the role well, having to know about the latest status of every logistic item, planning for its use/destination, etc. I have learnt a great deal about planning in the early stages and then tying down the finer details in the Operations stage, during my stint as the Director of Safety/Security for NUSSU Rag & Flag. Mr Ravi from OSHE taught me that plans are just ideas and does not become a plan until you input and tie down all the details like, who will perform this role, who will be responsible for this area/sector, etc.

**Q3.**

**Do you have other major commitments in or outside of NUS? If yes, what are they?**

I currently have no commitments in or outside of NUS.

**Q4.**

**Do you have any ongoing disciplinary cases in NUS?**

No.
