## Declaration of Interest

Why I want to be a part of the NUS Students' Computing Club Management Committee:

As a freshman in School of Computing, I have experienced the vibrant online events planned by the Students' Computing Club for orientation. I felt welcomed to the SoC family and more importantly, saw the important presence of the Students' Computing Club, which ensures the smooth running of many SoC events and is crucial in building SoC's culture. Hence, I decided that I want to join the NUS Students' Computing Club to contribute to SoC meaningfully.

I would like to run for the Director of community services as I feel that giving back to the community an important method to utilize our skills in order to benefit the larger society. It also reminds us to be grateful of our circumstances and to lend a helping hand to those who may need more attention. I would like to pick up the role of Director of community services to plan and provide opportunities for SoC students to give back to the community, in order to reinforce the importance of gratefulness in our peers.
