Declaration of Interest

Why I want to be a part of the NUS Students' Computing Club Management Committee:

I want to be part of the team to help computing students having a better experience in NUS, cultivating peer-to-peer support; as well as to raise the awareness on the importance of soft skills and gap between what we have learnt in school and real industrial experience.

I was the vice president of Chinese Orchestra and Art Council in Nanyang Polytechnic, mostly working on exposure to raise funds. We had collaboration with Esplanade, Korean Embassy in Singapore, Shanghai Conservatory of Music and London College of Music. During the previous semester, I was privileged to be selected as the project director of ShareNUS, a new NUSSU initiative to cultivate peer-to-peer support. Our team had worked with OSA Student Service Support and Library STEM team. During last summer, I had gained exposure in UI/UX design and front-end web development.
