21st Management Committee Candidates
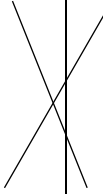

Vote of Confidence

- To cast a vote for a candidate, you may **mark a cross** in the box on the right side of the candidate's name. Any markings made outside any boxes may render the entire ballot invalid.

- Markings other than a cross within a voting box may be invalidated by the Elections Committee.

- As this is a **Vote of Confidence**, one box referring to a 'Yes', 'No' or 'Abstain' **must be marked** for each candidate. Any blank boxes for a candidate may render the entire ballot invalid.

- Any invalid markings and other infringing actions made may render the entire ballot invalid even though such markings or actions are only confined to one or a few of the candidates' voting box.
