Declaration of Interest

Why I want to be a part of the NUS Students' Computing Club Management Committee:

In my first year in the School of Computing, I took up the role of Vice-Project Director for the Freshmen Social Camp during the summer. It was an enlightening experience for me and I learnt a lot along the way. Apart from FSC, I joined the RAG committee and spent my summer serving Computing's RAG. This summer I could see Computing as a more tight-knitted community and I would like to continue to serve and contribute back to School of Computing, to continue the work of the previous management committee to make Computing an even better place.
