Declaration of Interest

Why I want to be a part of the NUS Students' Computing Club Management Committee:

I would like to be part of the Computing Club Management Committee as I have been part of the IT Cell for last year and I see room for improvements in managing and coordinating the cell's activities. On top of that, I believe that my relevant expertise (as listed below) would prove useful in both assisting and educating the cell members for their work.

List down all skill(s)/experience(s) relevant for your intended position:

Volunteer web developer/administrator for several non-profit organisations and social enterprises. Furthermore, I have had the opportunity to intern in two different companies as a full stack website developer.
The last year, I have contributed to the cell by developing the game system for the Graduates' Farewell Party (GFP).
